EXAMINER'S AMENDMENT/COMMENT

1. Correction of the following drawing defects is required within the period set by the attached PTO-37:

Applicant is required to provide a new set of drawings because Figures 1-12, 15 and 16 are too dark for printing.

2. The following is a statement of reasons for the indication of allowable subject matter: there is no teaching or suggestion in the prior art of record for the phrase "means for locking said closure to said top when said gripping tab is moved to a downwardly directed position" as recited in claim 1 because such phrase invokes a means for performing a specified functions as required by 35 U.S.C. 112, six paragraph and the means for performing a specified functions as indicated by the applicant on page 7 on the instant patent application such as the closure is permanently locked to the top for sealing the aperture when the gripping tab is moved to a downwardly directed position also there is no teaching or suggestion in the prior art of record for the phrase "said gripping tab is moved to a downwardly directed position" which indicates the container is full.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee.

Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
